FINANCE IN  
GOOD SHAPEWill Probably be Surplus  
In Treasury This  
Year.

"It is not the case," said Auditor Fisher yesterday, "that the money received for taxes in this Territory is all used in the payment of salaries, nor that all public improvements are paid for out of the bond fund. The Territorial expenditures within the past year have been well within the income, and from present indications the income for this fiscal year will cover the estimated expenditures very comfortably."

"The receipts for the current year, month by month, are holding up, in fact, very well. It is possible, of course, that there may be a falling off of say ten per cent, but I do not believe that there will be any falling off whatever."

"The salary appropriation bill for the present fiscal year, granted that every last cent of it should be drawn, \$963,000. The expense appropriation bill foots up, if every last cent should be drawn, \$999,491. This is a total of \$1,962,491, that is if the money should all be drawn out. Against this we have receipts from taxes amounting to \$1,681,199.49. And then there is the income from all other sources. The total of government receipts for the last fiscal year was \$2,415,356.33. As we make the estimates of the income, month by month, this year compares favorably with the last, showing perhaps a slight gain, so that I am well within the truth in the belief that there will be no falling off this year."

## Five Alleged Distillers.

U. S. Marshal E. R. Hendry, after an expedition of five days in the Koolau mountains with a staff of interpreters and assistants, brought to town yesterday

"TIS AN ILL WIND, ETC."

Irvinge Boothe: Do you not think that my performance here to-night will be a benefit to your town?

Mrs. Casey: Sure, it's brought me good luck already! I sold out all me rotten fruit before noon time to-day.

POLICE COURT  
HAD A BUSY DAY

Although Saturday is generally observed as a half holiday, the Police Court kept up work until nearly five o'clock yesterday.

Two Portuguese illicit liquor sellers were fined \$100 and costs each and seemed to be glad to get off at that.

The two Frenchmen who managed to create quite a stir Thanksgiving eve were both fined for reckless driving, one \$10 and the other \$25. Vosin's case for shooting, however, goes over until tomorrow.

The three Japs arrested some days ago for indulging in a fight had their cases nolle prossed. Henry Kualii is also in for assault and battery. Young Oliver, who is often in for being drunk, was fined \$6 instead of the customary \$3. Helen Miguel, who played hooky, was given a severe lecture and allowed to go. Joe Rodriguez, a Porto Rican in for vagrancy, was given a year on the reef to make sure that he should have something to do.

Ah Lum was fined \$50 for dealing in che fa tickets. He had a witness to help him try to get out of the charge.

but unluckily for him the two stories did not hang together.

## YOU CAN BE CURED

Quickly and Forever by the Grand Product of Nature, Dr. McLaughlin's Electric Belt. Send for the Free Book.

## Free Electric Suspensory for Weak Men

This Electric Suspensory carries the current direct to the weak parts and cures all weakness of men. It is free. It develops and expands all weak organs and checks unnatural drains. No case of Failing Vigor or Debility can resist the powerful Electric Suspensory. It never fails to cure. It is free with Belts for Weak Men.

No man should be weak; no man should suffer the loss of that vital element which renders life worth living. No man should allow himself to become less a man than nature intended him; no man should suffer for the sins of his youth, when there is here at hand a certain cure for his weakness, a check to his waste of power.

Most of the pains, most of the weakness of stomach, heart, brain and nerves, from which men suffer, are due to an early loss of nature's reserve power through mistakes of youth. You need not suffer for this. You can be restored. The very element which you have lost you can get back, and you may be as happy as any man that lives.

My Electric Belt, with Special Electric Suspensory (free), will restore your power. It will check all unnatural drains and give back the old vigor of youth.

Georgetown, Wash.

Dr. McLaughlin:

Dear sir: I feel that I am in duty bound to you and suffering humanity to make a statement in regard to what your Belt has done for me. When I purchased your Belt I was in a bad condition; was compelled to take medicine every day to move the bowels, and my kidneys and liver were so bad that the least jar would give me great pain. My back was so lame that when I sat down it was almost impossible for me to get up again. If I had not purchased your Belt when I did I believe that I would not have lived much longer. After using the Belt for a short time I found the results beyond expectations. All of the above symptoms disappeared. I consider your Belt the best in the market today and highly commend the attention given each patient while under your care. Yours truly,

JOHN B. WARD.

This drain upon your power causes Kidney Troubles, Rheumatism and Stomach Ailments. You know it's a loss of vital power and affects every organ of the body. Most of the ailments from which men suffer can be traced to it.

I have cured thousands of men who have squandered the savings of years in useless doctoring.

My Belt is easy to use; put it on when you go to bed; you feel the glowing heat from it (no sting or burn, as in old style belt), and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.
